

A GREAT CITY DESERVES A GREAT BANK METRO PHOENIX BANK

KEEP YOUR MONEY WHERE YOUR HOUSE IS.....

Give your associations the satisfaction of banking locally by keeping their investment in Arizona! If you are looking for a full service banking relationship, Metro Phoenix Bank is sure to meet all of your association's financial needs.

Metro Phoenix Bank is pleased to be a preferred partner in Arizona with CINCsystems. A product that is designed to meet the specific needs of your community management company.

Partner Product

A true Web-based application that allows community Association Managers access to tools that streamline business activities. From accounting to daily activities, manage your business via the Internet from any location 24x7. As a professional responsible for communities of all sizes, CINCsystems is for you!

This web-based solution offers:

- Accounts Receivable
- Accounts Payable
- Collection Processing
- Homeowner Correspondence
- Board Access
- Violation Tracking and Management
- ACC/ARC Request Management
- Stream-lined financial reporting
- Management and Association Websites
- Document Imaging
- Management Module
- Closing/Resale Module

All associations are in one database so you can search across all associations and run reports for multiple associations. CINCsystems also provides the ability to create a paperless environment, track and maintain homeowner correspondence online and provides mobile access.

**All Property Management banking customers must be approved by Metro Phoenix Bank and CINCsystems. Additional materials may be requested; restrictions and fees may apply.*
